

Dear Community Partner,

The Indian River Charter High School Choir is once again soliciting support for the upcoming academic year of 2019-20. To enlist support, we are providing printed programs with sponsor listings of various levels that will help us with the much needed financial support we hope to receive, and provide advertisement opportunities for those of you able to help us.

Monies generated from this effort will go toward the purchase of music, uniforms, transportation costs to competitive events, entry fees, awards and other regular expenses that simply cannot be covered by the standard school budget or out of pockets from the students and their parents.

This year, a good portion of the funds raised through this program effort will once again be designated for a performance opportunity at Carnegie Hall in New York.

Please view the options on the reverse side to determine the level of support you may provide. Know this, all funds generated through our fundraising efforts are spent to enhance the student's education.

I want to thank you in advance for supporting our efforts in providing great opportunities for our students. If you have any questions please feel free to contact me at 772-567-6600 ext. 225
